2010 West Coast Civil War Conference Tour Schedule on Sunday November 14, 2010

Tour activities include visits to four National Park Service sites in the San Francisco Bay area: Alcatraz Civil War fortress (morning), Fort Mason, Presidio of San Francisco and Fort Point (afternoon).

Alcatraz Civil War Tour (morning)

First you must get yourself to Alcatraz Landing (Pier 33) by 8:30am. We suggest that you get there by 8:10am. Parking is available in several lots across from Alcatraz Landing (Pier 33). Parking is expensive so we suggest you carpool. There is some off street parking but don't depend on it.

People who are attending the conference on Sunday only go directly to Alcatraz Landing (Pier33). Check in and get a name badge from the conference volunteer. The tour group will meet next to the fence on the pier. You must have a picture ID to board the boat. We will go across on the workers and volunteers boat. We are required to give the Rangers at Alcatraz Island a list of attendees prior to Sunday

Wear comfortable clothes and walking shoes. It is always cold on Alcatraz Island. It is about a 1/4 mile walk from the dock to the prison. It is a four story climb. There will be a shuttle for those requesting or requiring assistance. You must tell us by Saturday morning if you will need the shuttle

The return boat leaves the dock by 11:25am. You are not required to attend all the activities. Keep us posted if you have a change of plans during the tours. If you choose to stay on Alcatraz you can return on a later boat.

Fort Mason, Presidio and Fort Point Tours (afternoon)
